

Getting Started with APRS

Not about radio settings

- Equipment Choices
- Antennas
- Your Station Identifier and Its Beacon Rate
- Online Tutorials, YouTube Videos
- In Your Car, Boat or Aircraft
- A computer (Raspberry Pi)

The Future of APRS

Where is it going?

- Global Emergency Communication Network
- Universal Location and Data Sharing Protocol
- Integrated with AI and Autonomous Systems
- Space Exploration and Colonization
- Integration with What3Words and Other Geolocation Technologies
- Environmental and Climate Monitoring
- A New Era of Collaborative Exploration
- Education and Citizen Science
- more
